

Troparion

Tone 4

Choir:

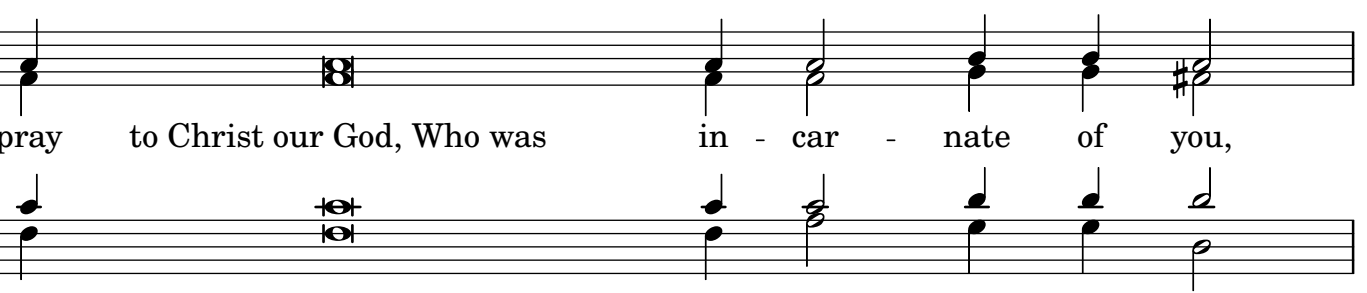

To - day the most glorious city of Moscow rejoices radiant - ly,

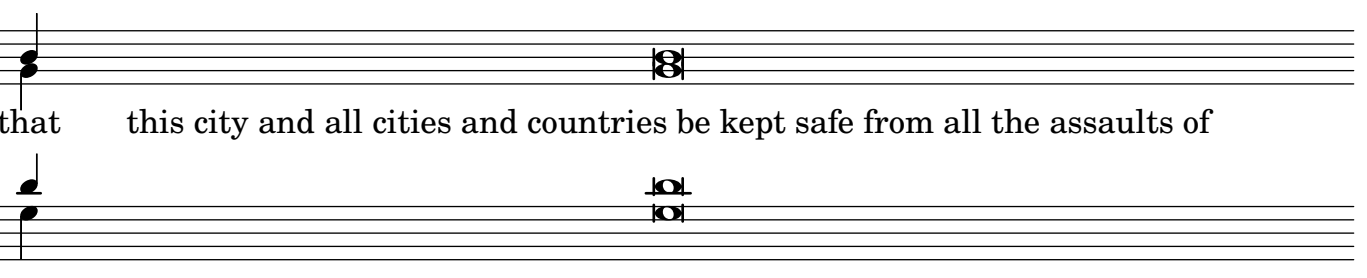

for it receives your wonderworking Icon as a ray of the sun, O Lady.

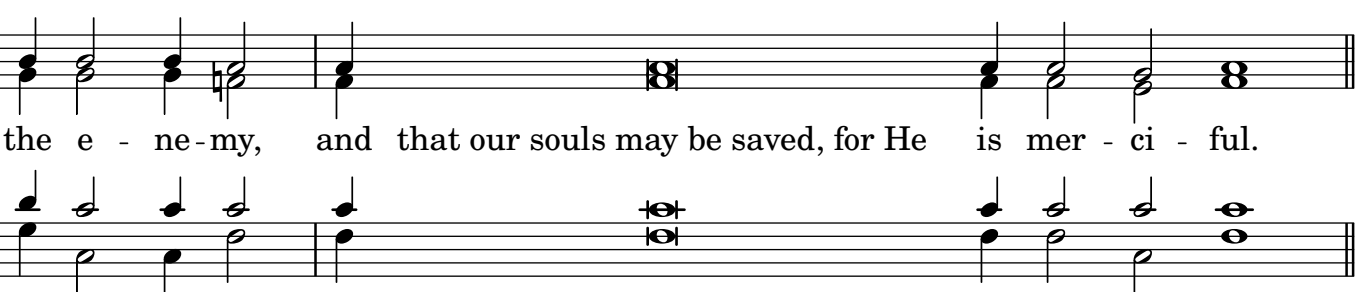

Now, having recourse to it, we pray to you and cry: O most wondrous Lady Theo-to-kos,

pray to Christ our God, Who was incarnate of you,

that this city and all cities and countries be kept safe from all the assaults of

the enemy, and that our souls may be saved, for He is merciful.
